

PYRENEES SHIRE COUNCIL'S RECOVERY TEAM

Council's Recovery Team is continuing recovery work following the Oct/Nov 2022 flood events and also the Bayindeen fire event in Feb 2024. The focus of the Team is to assist the long-term recovery to ensure residents and communities recover well. The team is available to provide support and advice and make referrals to other services. Please don't hesitate to reach out via any of the following:

- ❖ Calling 1300 797 363
- ❖ Emailing recovery@pyrenees.vic.gov.au
- ❖ Calling team member's mobile number
- ❖ Visiting the Recovery Centre on Wednesdays from 10am – 5pm at the Beaufort Resource Centre and Library.
- ❖ Popping into Council's Beaufort Office during office hours.

Meet the team:

Tony Grimme – Community Recovery Officer

Tony's role is to support communities and individuals impacted by the events. Tony is on-hand to assist with services such as referrals for clean-up, fencing, finance and emotional support.

Tony can be contacted on 0482 783 839

Vlad Adamek – Project Management Officer

Vlad's role is to undertake the tree management program. Vlad will work with the community and contractors through the program.

Vlad can be contacted on 0408 580 684

Gillian Matthews – Recovery Administration Officer

Gill's role is to provide admin support to the Recovery Team and manage the reimbursement claims for State and Federal funding following the October/November 2022 flood events.

Gill can be contacted on 1300 797 363.

Claire-Marie Hodgkinson – Recovery Administration Officer

Claire's role is to provide admin support to the Recovery Team and manage the reimbursement claims for State and Federal funding following the October/November 2022 flood events.

Claire can be contacted on 1300 797 363.

Kim Whytcross – Recovery Infrastructure Officer

Kim's role is to ensure that infrastructure such as roads, culverts, floodways and bridges is repaired following the Oct / Nov 2022 floods.

Kim can be contacted on 1300 797 363.

Jane Bowker – Recovery Coordinator

Jane's role is to coordinate the planning and delivery of the recovery activities and services, and support the Recovery Team in delivering those services and support.

Jane can be contacted on 0400 503 917
