Hirers are reminded of their responsibility to maintain the cleanliness of the building. While a contractor does clean all Council buildings on a regular basis, the hire fee is not sufficient to include cleaning of the building after each use. All areas of the buildings, including floors, need to be clean upon your departure. All garbage is also to be removed from the building and dishes are to be washed and returned to the storage area.

Please phone customer service on 1300 PYRENEES (1300 797 363) if you need more information.
